Country Home with no HOA only a 23 minute drive to the resort beaches and even closer to local beaches. The new state of the art Bay-Health hospital is only minutes away. This home has a sunny and bright foyer with access to kitchen, basement and attached garage. The garage is oversized with a bathroom started, just needs plumbing work done to be complete. There is also a backdoor off the back of garage which leads to the backyard which is ready for your flower or vegetable gardens, pool, and is spacious enough for kids and/or pets . There is also another basement/cellar area off the back of the garage. Come in through the foyer and into a large kitchen with tile flooring, new counter tops, and sink, and plenty of cabinets. The living room gets plenty of light and has gorgeous views out the windows, and hardwood gleaming floors. The bedrooms are very large with the primary having a large walk-in closet. The roof was new in 2016, hot water heater in 2020, and new HVAC to be put in once it goes under contract so there will be no worries with this home. What are you waiting for? Come take the tour before you miss this one.
